Substrate Cleaners

CoverClean FG

Microbial cleaner for fat, oil and grease

CoverClean FG is a highly effective professional grade cleaning solution that uses micro-organisms to digest and clean fat, oil and grease. It has been especially developed for the deep cleaning of greasy quarry tile surfaces found in commercial kitchens. CoverClean FG leaves no residue and is the product of choice when compared against chemical degreasers.

Applied by pump –up spray, wet mop, or broom, CoverClean FG is USDA compliant for use in food preparation areas.

- Deep Cleaner for Quarry Tile
- Works on Fat Oil and Grease
- Cleans any Hard Tile and Grout
- Leaves no Residue
- Keeps Working When Rinsed To Drain
- Reduces Slip & Fall
- Pleasant smell, no odors
- Fast Acting
- Meets USDA requirements
- Non Hazardous

Quarry Tile & Grout • Commercial Kitchens • Food Processing Plants • Restaurants • Country Clubs • Hotels

Substrate Cleaners

Other products from CoverTec

CoverTec Products LLC is a US manufacturer and distributor of specialty chemical products used in the surface preparation, restoration and protection of building substrates. CoverTec products are used primarily in Flooring applications, Roof and Wall waterproofing and for Industrial and commercial maintenance.

Our products have very low odor and VOC can be applied to many substrates including concrete, wood, tile, stone, brick metal, rubber and aged asphalt. Key products groups include:

- Clear surface sealers
- Specialty coatings
- Substrate cleaners
- Waterproof coatings

Technical Support

CoverTec offers training and technical support with all our products. We have experts in the field and in the lab that can offer the highest level of technical service.

Green Product Solutions

CoverTec is committed to green building and **LEED** certification contributions. We are a member of the **US Green Building Council**, and have products backed by and range of approvals including Energy Star, USDA and NFSI

Glaze Guard™

High performance water clear polyurethane coating specifically developed for ceramic, porcelain and stone tile. Available in gloss, satin and matte finish.

CoverShield E400 WB

Two component, Low Odor, Water Based Epoxy Coating. The product is resistant to abrasion, weathering and a wide range of chemicals. Excellent adhesion. Available in a variety of colors.

Vinyl Guard

High performance water clear polyurethane coating specifically developed for VCT and Terrazzo. Available in gloss and satin finish.

Floor Strip HP

Highly effective labor saving stripper that virtually eliminates the need for floor machines, pads, and rinsing. It will solubilize aged and built-up finishes and waxes almost instantly.
