Clear Surface Sealers

Surface GripTreat

Clear Anti Slip Chemical Treatment for Slippery When Wet Surface

- **Quick return to service**
- **Increases coefficient of friction**
- **Interior and exterior use**
- **Easy to maintain**
- **Long lasting results**
- **Does not affect appearance**
- **Cost effective**
- **Low odor**
- **Temperature resistant**

When floors are wet from rain, liquid spills and splashes, routine cleaning or water tracking from outside, Surface GripTreat anti-slip treatment is activated and immediately makes those surfaces skid and slip resistant.

Surface GripTreat Anti-Slip Floor Safety Treatment microscopically modifies the floor surface, dramatically increasing the grip for bare feet, shoes, and all kinds of pneumatic and solid wheel tires.

Significantly improves the Slip Resistance of: Ceramic and Porcelain Tiles, Granite Marble, Quarry Tiles, Concrete, Natural Stone and Terrazzo.

•Shower Floors •Lobby and Entrance Ways • Pool & Roof Decks •Restaurants
Kitchens Floors • Senior Living Facilities

Balconies •Patios •Bathrooms

Other products from CoverTec

CoverTec Products LLC is a US manufacturer and distributor of specialty chemical products used in the surface preparation, restoration and protection of building substrates. CoverTec products are used primarily in Flooring applications, Roof and Wall waterproofing and for Industrial and commercial maintenance.

Our products have very low odor and VOC can be applied to many substrates including concrete, wood, tile, stone, brick metal, rubber and aged asphalt. Key products groups include:

- Clear surface sealers
- Specialty coatings
- Substrate cleaners
- Waterproof coatings

Technical Support

CoverTec offers training and technical support with all our products. We have experts in the field and in the lab that can offer the highest level of technical service.

Green Product Solutions

CoverTec is committed to green building and LEED certification contributions. We are a member of the **US Green Building Council**, and have products backed by a range of approvals including Energy Star, USDA and NFSI

Tile SlipShield

Is a medium sheen, topical protective nano coating that creates a durable, slip resistant crystal-clear finish specifically designed to bond to the micro-pores of porcelain and ceramic tile.

SurfaceClean

Industrial strength; water soluble, alkaline degreaser, which incorporates advanced concepts in chemical soil removal. It will effectively remove a wide variety of soils common to industrial, institutional and commercial facilities including accumulations of grease, oil, dirt, soot, smoke, food, mold and mildew. SurfaceClean handles grease on most surfaces.

Emerald Floor Maintainer

Is a pH neutral, soap free, 100% biodegradable, enzyme floor safety solution. Contaminants are eliminated leaving floors clean and streak free. Emerald enzyme formula eradicates organic material so there is nowhere for bacteria to grow. The floor dries film free and is safe and biodegradable. This product is suitable for all hard floors including quarry tile, ceramics, concrete, brick, vinyl, laminate, sealed timber and other water safe surfaces.

CoverSeal PREMIUM

Is a highly repellent, oil and stain resistant water-based penetrating sealer. PREMIUM has been formulated with advanced fluorinated polymers that provide maximum oil and stain protection to natural stone, concrete, porous tile and grout.
